haslemere, england dec 2007 - aug 2008

engineered by left leg
produced by watershed
mastered by audiomaster, yeovil, england

Thanks....
 Our families and friends.... the musicians we've had the privilege to share a stage with especially Buffalo Brown, Floron, Onions, Chuck, Without Grace, Byron and Civilized Tears.... Mike Upjohn and Vic Cracknell for providing sound and their tireless promotion of live music.... g-man, Floron, Ben Burton & crew, and Nick Wilson for photography the residents of Tanners Lane for putting up with the noise.... South West Trains & the bells of St. Bart's for the inadvertent sound effect... and finally to everyone that's turned up to support us and listen.

1. All Of The People
